SUBJECT: Confidential Income Survey – First Request

April 17, 2024

Dear Delta Resident:

The Village of Delta is seeking grant funds through the *Community Development Block Grant (CDBG)* program to make necessary infrastructure improvements. Your participation in this confidential income survey is imperative; without this information, we cannot apply for the grant funds.

Due to the lack of participation during the 2020 US Census the current State of Ohio Median Income has the Village of Delta listed as making \$13,414 over the State Median. With recorded income values that inflated our community over the median, this disqualifies the Village for ANY Grant Funding.

With the increased regulations being enforced by government agencies, the failing infrastructures, and increased price to operate those entities, it is extremely important to accumulate close to accurate data for the Village – collected locally using this process versus the data curated by the Federal Government via the US Census.

We are asking you to complete the enclosed form and submit it in the envelope provided. ALL THE INFORMATION GATHERED WILL BE HELD IN STRICTEST CONFIDENCE.

Please mail the completed income survey to Maumee Valley Planning Organization (MVPO) or drop it off to the Village Utility Office by May 10, 2024. To ensure we obtain the required number of surveys, the village will be going door to door to collect additional surveys from residents who do not reply to the request by mail.

If you have any questions, feel free to call the Village directly at (419) 822-5300 extension 151.

Sincerely,

Allen Naiber, Mayor
Village of Delta – Fulton County
